

# EXTRUSION MAGNETIC STRIP

Extrusion Magnetic Strip is made by high quality ferrite powder and synthetic rubber or plastic, which is available in standard energy or high energy, both provide superior holding power. Magnetic strip is available in plain finishing or laminated with different kinds of self adhesive.

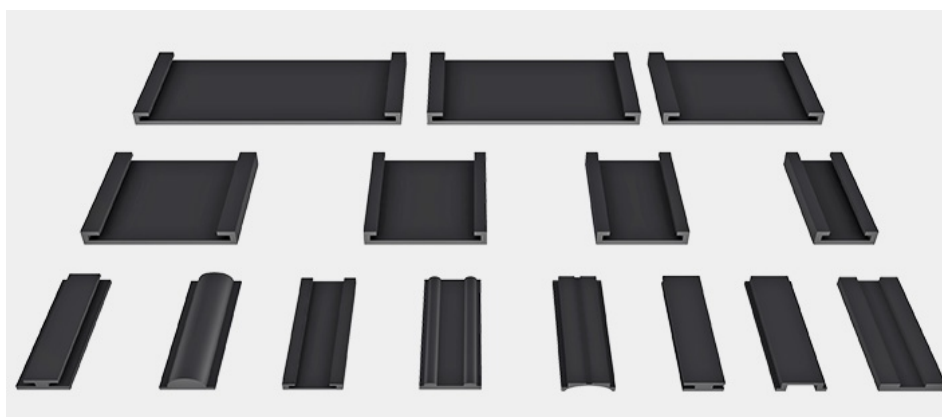

Our extrusion magnetic strip can be fabricated to your exact specification including cut to length, scored, die-cut or punched. They are available in a wide variety of laminates including acrylic, rubber and foam adhesives. Please let us know the application of the strips, we will recommend the most suitable adhesive to you.

Our Extrusion magnetic strip can be custom magnetized to suit your needs including single –pole, multi-poles, self-matching poles and other custom magnetization with superior holding power.

We can also extrude magnetic profile. We offer standard profiles such as “C” profiles in various widths for labeling, “T” profile for shower doors and similar applications. Pen clips / pencil clips/multi-clips for attaching and holding pens and pencils to magnetic receptive surfaces.

We have hundreds of existing dies or we can custom make one to meet your specific profile requirements

## Magnetic Property:

	MAGNETIC ENERGY		REMANENCE		COERFIVE FORCE		INTRINSIC COERCIVE FORCE	
	(BH)MAX		BR		HCB		HCJ	
	MGOE	KJ/M3	KGS	MT	KOE	KA/M	KOE	KA/M
Standard Energy	0.58-0.81	4.6-6.5	1.5-2.2	150-210	1.2-1.7	102-130	2.0-2.8	155-210

## Dimension:

### Regular Profiles

Thickness	Width	Length
1.0mm	12.7mm, 15mm, 25.4mm, Max. 76.2mm	30M - 200M
1.5mm	10mm, 12.7mm, 15mm, 20mm, 25.4mm, Max. 76.2mm	30M - 200M
2.0mm	10mm, 15mm, 20mm, Max. 76.2mm	30M - 200M
3.0mm	12.5mm, Max. 50mm	30M - 200M
4.0mm	8mm, Max. 50mm	30M - 200M

### C Profiles

Thickness	Width	Length
3.0mm	15mm, 20mm, 25mm, 30mm, 35mm, 40mm, 50mm, 60mm	30M - 50M

## Application:

Pop-up display system  
 Label holders/ Magnetic Labelling  
 Shower door gaskets  
 Fridge door gaskets  
 Insect screen gaskets  
 Fridge magnet  
 Stationary  
 Retail Display  
 Door closures for Electric products  
 Craft and hobbies  
 Name Plates  
 ...And many more
